

OMUP Enterprises

Capability Statement

OMUP Enterprises is a diversified services company providing fire prevention and life-safety services, operational and facilities support, transportation and disposal services, and real estate management and property rental services. government and commercial customers. Established in 2005, we bring 38 years of combined business experience, including 34 years supporting government operations, and a proven history of delivering reliable, compliant, and responsive services in regulated environments.

Core Capabilities

We support the continuous operation and readiness of facilities and operations by performing scheduled, unscheduled, preventive, and emergency maintenance services in high operational tempo environments. Our teams are relied upon to deliver consistently and on time so customer operations continue to run smoothly.

Our capabilities include, but are not limited to:

- Facilities and Operations Support
- Fire Suppression and Life-Safety System Support
- Commercial Kitchen Exhaust Hood and Duct Cleaning
- Grease Trap Servicing and Maintenance
- Electrical Installation, Repair, and Troubleshooting
- Grounds and Exterior Services, including Pressure Washing
- Preventive, Corrective, and Emergency Maintenance
- Property and Facilities Support for Residential and Mixed-Use Environments
- Transportation, Hauling, and Material Disposal Services

Past Performance & Operational Strength

Since establishment, OMUP Enterprises has performed work under more than 16 federal and state contracts, building long-term customer relationships that reflect consistent performance and trust. Our longest-standing government contract has been maintained for 14 consecutive years, with several others exceeding 10 years. Nearly all of these relationships remain active today.

We operate in high operational tempo environments and are relied upon to respond effectively to urgent and emergency service requests. On average, we have maintained a 95%+ on-time service delivery rate across the three industries we serve.

Across our portfolio, we have maintained an excellent performance record built on accountability, responsiveness, and reliable service delivery.
